PROJECTS

SUPERHEROES VS VILLAINS

A fun and quirky way to compare the stats of your favourite superheroes and villains. This project uses JavaScript, jQuery and the Superhero API to return selected stats from each candidate in order to draw a comparison between the two. It concludes with a message that declares a champion. This project was made in collaboration with Jeff Lee.

TO BANG OR NOT TO BANG!

A cheeky quiz app that helps users determine whether or not to use an exclamation point, also known as, a bang. This project uses JavaScript and jQuery to return a concluding result that is dynamically populated based on selected user inputs.
